

**DIRECTIONS**

# greenhouse

where nonprofits grow

*The Greenhouse is Cincinnati's only non-profit business incubator designed to provide shared space and services for local non-profits. The Greenhouse boasts a fully equipped training center, as well as community meeting and conference rooms. Greenhouse members improve their effectiveness and efficiency through on-going training and support, non-profit business coaching and shared best practices. You're welcome to join our collaborative space movement.*

## **DIRECTIONS TO THE GREENHOUSE**
