Uniting to End Childhood Hunger in Ohio

Hunger continues to touch the lives of more than 1 in 5 children in Ohio. It is our work, in collaboration with community partners, that provides millions of meals each year to the children who need us most.

Join us on February 25, 2019 for the 24th Annual Menu of Hope luncheon where we will unite to end childhood hunger. Your support empowers our partners, our educators, our advocates and, most importantly, our children. Children's Hunger Alliance is committed to ending childhood hunger — starting with improving nutrition for our youngest and most vulnerable through healthier meals served in childcare settings; enabling academic success with school breakfast and afterschool meals; and fueling health year-round with summer meals and nutrition education. Our work fills nutrition gaps to empower children to reach their full potential.

We are delighted to have celebrated author, Jeanette Walls, joining us as our keynote speaker. Jeanette's best-selling memoir, *The Glass Castle*, provides an intimate look at her life growing up in extreme poverty and the tale of her emergence from it. Her message is one of hope, commitment and inspiration. We look forward to sharing this experience with you!

More About Children's Hunger Alliance

Founded in 1970 in Columbus, Children's Hunger Alliance is a statewide nonprofit organization dedicated to ending childhood hunger in Ohio. Our organization works with child care providers, schools, recreation centers, libraries and faith-based organizations, among other community partners, to provide children with the meals they need to grow, learn and thrive. Our efforts help increase access to early childhood nutrition, school breakfasts, afterschool meals and summer meals. Last year we provided more than 7 million meals to Ohio children who struggle with hunger. Our education team also leads thousands of children in nutrition education and physical activity so they can build a foundation of healthy habits.
